- ☐ Sirmilik
- ☐ Quttinirpaaq
- ☐ Ukkusiksalik
- ☐ Qausuittuq

NATIONAL URBAN PARK 1

- ☐ Rouge
Ontario. Counted apart from
the 48

Parks Canada counts 37 national parks and 11 national park reserves. A reserve is managed like a national park, on land that is subject to one or more Indigenous land claims. Kluane is a park and a reserve, and is counted with the reserves. Each park is listed once, in the province or territory where most of it lies. Parks marked World Heritage Site are on the UNESCO World Heritage List, alone or as part of a larger site.
